

PARADIP COLLEGE, PARADIP, DIST-JAGATSINGHPUR, ODISHA

Teachers use ICT enabled tools for effective teaching -learning process.

Today, it is essential for the students to learn and master the latest technologies in order to be a saleble institution. As a result, teachers are combining technology with traditional mode of instruction to engage students in long term learning. Paradip college uses Information and Communication Technology (ICT) in education to support, enhance and optimize the delivery of education.

The following tools are used by the Institute

Projectors-6 projectors are available in different department/labs

Desktop & Laptops- Arranged in computer^{lab} and with faculty members in the campus.

Printers- Printers are available in SAMs, IQAC, Accts. Section, Establishment Section, Examination Section, Admission Section, Library, Principal's office Room and other prominent places.

Photocopier Machines – More than three Photocopier Machines are available in the college.

Scanners- Multifunction Printers are available at all prominent places.

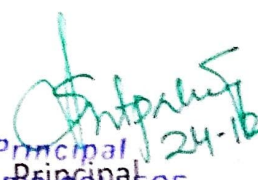

White Board & Green Board – White Board & Green Boards are available in class rooms and seminar Halls.

Online Classes are held through Zoom, Google Meet, Google Class room etc.

Use of ICT by Faculty-

- A- Power point presentations- Faculties are encouraged to use power- point presentations in their teaching by using LCDs & Projectors.
- B- Online Examination – Faculties conduct online examinations for students after completion of each unit.
- C- Video Conferencing – Students are counselled with the help of Zoom/Google Meet applications.
- D- Online Feedback systems with Google forms are conducted for all stakeholders.
- E- Webinars- The teachers use various ICT tools for conducting webinars on latest methods.
